

IEEE Women in Engineering International Leadership Conference (WIE ILC) will return to the San Jose Convention Center on 21-22 May 2018. With a focus on mid-to-senior women in technology, WIE ILC will bring together over 1,500 STEM leaders from around the world. We are delighted to have other organizations as our media partners.

Provided To Media Partner

- One full conference registration (\$650 value)
- Acknowledgement of your association on the 2018 WIE ILC website (logo + link)
- Acknowledgment of your association in the conference program (logo)
- 10% registration discount to partner organization's membership

Provided by each organization to IEEE WIE

- See page two for sample tweets, posts and banner ad
- Social media promotion of 2018 WIE ILC – minimum of 4 tweets or Facebook posts
- Link to 2018 WIE ILC on website calendar (if available)
- Post 2018 WIE ILC in upcoming newsletter (or email) to your membership – description & code as provided and/or post IEEE post WIE ILC banner on website
